The most effective method to check on speeding through the town is to set up a Community Speed Watch programme.

<https://www.devon-cornwall.police.uk/support-and-guidance/on-the-road/speed-watch/get-involved-with-speed-watch/>

This is run by our policing team – please get in touch with the Clerk if you wish to be involved and have checked the requirements on the above website.

Cllr. L. Bull stated that this has been very effective in other communities. This would be a great community led project fully supported by the Council. Cllr. Williams will commit to contacting the local police officer to get this organised. Agenda for early in 2023 for follow up.

'20 is Plenty' – this was discussed earlier this year; Seddons had offered to make signage available for free at that time/or primary school children may be able to do this as a project. For further discussion. Cllr. L. Bull will check with Seddons.

Drain above Ashleigh Park. One of the flood drains has been vandalised by Packhorse Way. It is part of the flood defence for the town. Clerk to action with Richard Brooker.

Bull has been approached to bring back late night shopping – Emerald Seddons is the lead for the businesses, suggested date the 2nd December.
