Proof of such cover must be submitted at the time of booking and may be asked for on Fair Day so please ensure you are carrying a copy of a valid certificate or NMTF membership or you will not be permitted to trade.

- Any areas marked 'keep clear' **must** be kept free of any obstruction as they give either fire or wheelchair access
- Insulation of all electricity cables must be in perfect condition and all cables must be safely located.
- We are unable to provide electricity and you will need to provide your own lighting.
