

# **BAMPTON: PLANNING FOR THE FUTURE**

**We need your help to update our Parish Plan.**

Much has happened since the plan was prepared in 2013 when you told us your priorities.

We want to know how these may have changed and what new issues may have emerged.

**What are you proud of?**

**What concerns you?**

**What needs action?**

**What works well?**

**COME AND HAVE YOUR SAY AT  
THE COMMUNITY HALL  
FRIDAY 23RD NOVEMBER**

**Drop in any time between 10am and 7.30pm**

This is not a meeting, you will not have to speak in public and you can leave your comments anonymously. Come and have a cup of tea or coffee with us.

If any Bampton Organisations would like to be represented, please contact Paul Edwards by email..... [paulewards@bamptontowncouncil.gov.uk](mailto:paulewards@bamptontowncouncil.gov.uk)
