

January 2019

Good Morning Sheila,

Thank you for the 2 parcels delivered this week. The blankets, and indeed all the knits are great and will be ideal with those 6,000,000 children suffering from the cold in Syria.

We are collecting blankets as fast as we can now to send out there, to at least save some of them. Your hard work and those of all your friends at Bampton Knit and Natter will help us in our endeavours.

With all good wishes for 2019 and many thanks to you all.

Barbara

Hello Sheila,

Another parcel delivered safely yesterday.

The blanket and the other knits will be great and I added them to the load I took to the Warehouse this morning. So they will be on their way to Syria as soon as the transport can be arranged. It is not easy getting the convoys into Syria, so we have to be patient.

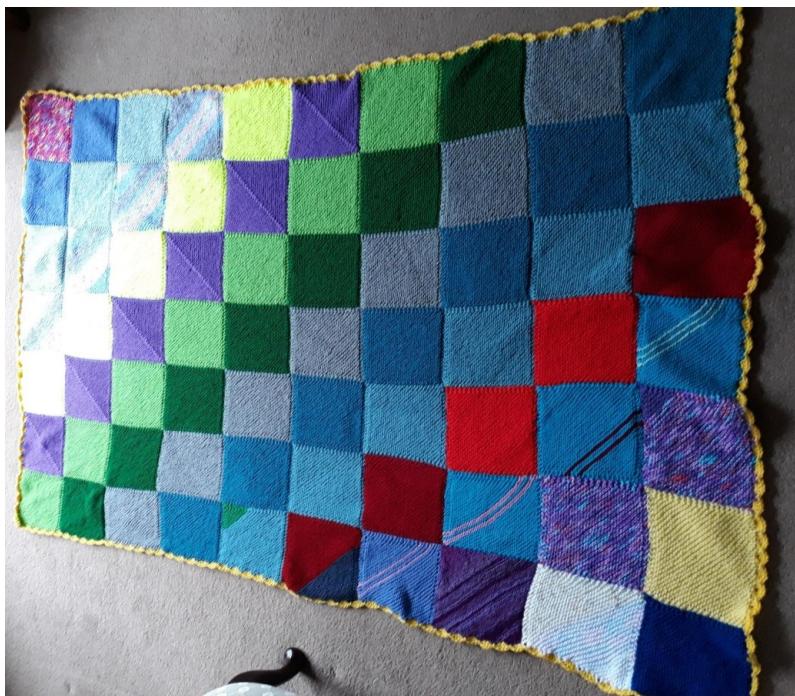

Thank you all once more for your help and support.

Best Wishes

Barbara

February 2019

sent to Syrian refugees

Hello Sheila,
Parcel delivered safely this morning.
The blanket and all the knitted items are beautiful and will be very much valued and used by those fortunate enough to receive them.
Thank you for the £10 cheque, we greatly value that to help our transport fund.
I am very happy to tell you that a container left earlier this week for Syria and contained all our blankets, knitted items and warm clothing. We are praying that they arrive safely and at the places where they are most needed and help to alleviate the misery of the children and families who are suffering so much.
We greatly value your help and support and can assure you that you will change many lives with your hard work and generosity.
I know you will pass our thanks to all who have helped to make the project possible.
Best Wishes Barbara

Above right sent to Musgrove.

Above left & below sent to Syrian refugees
