Most visits will be around £35. If you have a National Trust card, please bring it to all trips as we may call in to properties. *Trips include entry, guided tours, and transport (we do not aim to raise any surplus, but simply cover costs, and if costs are lower, the trips could be charged a lesser amount). Of course, the more people who book seats to fill a coach or minibus, the cheaper it is! In order to help our administration and to avoid problems with the coach company, please book well in advance – please find a substitute if for some reason you have to cancel.*

On some trips, places may be limited so book early to avoid disappointment.

Note that the Society has arrangements to purchase seeds at considerable discount – all members are automatically entitled to join this scheme.
