

Bampton Players Newsletter - June 2021

Hello again. We had our latest committee meeting this week and below are a few brief notes for you.

Dates for the diary

Treasure Hunt - update

Due to the lack of response this event has been postponed until a later date.

Annual BBQ - Saturday 7th August - Reminder

The annual Players BBQ at Sherwood is due to take place courtesy of Avril and Hugh. Please note that this year it will be at noon and not in the evening as previously. Please let Avril know if you are planning to attend and what type of dish you will bring and she can keep a tally of savoury/sweet dishes to check that we aren't under or over provided on one type or the other.

"The Ghosts of Martha Rudd" - outdoor reading

A date for this will be confirmed later in the summer when, if it rains it should be legal to go inside. Fingers crossed - virus permitting.

Relative Values - Reminder

Rehearsals are back underway again and, hopefully, we will be staging it in September. The hall has been booked for the w/c 20th September with performances planned for Thursday 23rd, Friday 24th and Saturday 25th. Again, if necessary, we might have to postpone if this Delta variant of Covid has a surge but we live in hope.

Saturday 9th October - Autumn Quiz - Reminder. This date is still booked at the Riverside Hall. Details to be circulated nearer the time if it is to go ahead.

All other plans for the year are under continual review and we will let you know if they are happening in due course.

Sadly we said goodbye to Kathy who has done such a good job for us in the wardrobe department for the past few years. She has moved away to start the next stage of her life in Shropshire. At our last meeting we agreed to give her a gift as a token of our appreciation so Claire organised a garden centre voucher which she can use at her new home. See below a couple of pictures of Kathy's presentation.

That's it for now. Our July meeting is scheduled to take place after the next government Covid announcement so we may have a clearer idea of how we can proceed.

In the meantime enjoy the sunshine!
