

Bampton Players Newsletter - September 2021

Hello again. We had our latest committee meeting last week and below are a few brief notes for you.

Annual BBQ - Saturday 7th August - Update

This was well attended and enjoyed by those who did come despite the weather. Thank you to Hugh and Avril for putting everything in place to keep us all dry. Humphrey made a presentation of pictures he had prepared to Esme and Barney in recognition of all their various performances over the past 14 years.

"The Ghosts of Martha Rudd" - outdoor reading

A date for this will be confirmed later in the summer when, if it rains it could be legal to go inside. Fingers crossed - virus permitting. This is still being considered for either a Sunday afternoon or a Tuesday evening. Avril will be in touch with some options.

Relative Values - Update

A new date has now been agreed by all those involved in the above performance so please make a note in your diaries for March 24/25/26 2022 when we plan to finally perform this play. Obviously we will have to gauge the situation at the time but if things improve then hopefully we can go ahead.

Saturday 9th October - Autumn Quiz - Reminder.

Bampton Fresh is now selling tickets for tables of 6 for the above. The evening will consist of a quiz, with a pudding and coffee provided afterwards so eat your dinner before you come out. Please contact Avril to let her know what you can provide as a pudding - thank you. A copy of the poster for this event is included as another attachment to this message.

Autumn Fair

At the present time the Mummers is all set to perform at the fair if it goes ahead. This is still planned to take place.

Our next meeting is scheduled for mid October and we will let you know any further news after that. As most of you will know Liz and Colin were tying the knot last Saturday and Liz has promised to send me a photo to be included with next months' newsletter. All our best wishes go out to them.
